YOGA RETREAT
BENISSA - ALICANTE

NOURISH IN NATURE
Benissa, 20 - 22 March

A retreat open to both men and women.

SIERRA OLTÀ

We will be staying in the Sierra de Oltà and Bernia, an area surrounded by a protected forest of centuries-old pine trees. A place where nature reveals itself in all its splendor: towering mountains, rustic lands, and a green sea that invites calm. The perfect setting for hiking, enjoying complete relaxation, or letting the serenity of the surroundings awaken your senses.

A retreat to let yourself be embraced by the power of nature. Amid the tranquility of the mountains, you'll find the perfect space to unwind. Each day we will practice yoga, meditation, and activities designed to help you connect with your inner self and rediscover yourself in harmony with the surroundings.
